- If driving from the UK, take the autoroutes as far as **Lyon**, then **Chambery** and finally **Albertville**.
- If hiring a car from Geneva take the autoroutes to **Anney**, then **Chambery** and finally **Albertville**.
- From **Albertville** take the N90 signposted **Moutiers** and the **Tarentaise**. We would be most grateful if you could call the resort manager as you pass Albertville (just over 1 hour away) so that we know when to expect you and we can welcome you properly.
- At **Moutiers**, filter off the main road following the signpost to Les Menuires and Val Thorens (this is the right-hand lane of three).
- Proceed up this road (numbered the D117) for approximately 28km following signs to Les Menuires. Once you arrive in the resort of Les Menuires, you will pass under a bridge (A), and reach a roundabout. Take the second exit following the road up the hill passing the large tower on your right.
- After the third hairpin bend, take the second exit on the right at the sign for La Ferme de Reberty. The road forks just after the turn, follow the right fork around the one way system. There is a row of chalets on the right, we are the last two, look out for the Richmond signs above the garage door. (B).
